

3-IN-1 FINANCIAL SERVICES KIOSK

Bitcoin, Goldbacks and Traditional ATM Services, all from one machine

The multifunctional financial kiosk from Zyng Technologies is the only kiosk on the market that offers access to Bitcoin, Goldbacks, and cash withdrawal services - all in one machine.

Whether it's digital finance or physical gold, Zyng meets the needs of today's multi-channel consumer in one easy-to-use platform.

- Buy or sell Bitcoin and other digital assets
- Purchase spendable, gold-infused Goldback currency
- Withdraw cash like a traditional ATM

Retailer Benefits

- **Triple offering, triple traffic:** Attract digital asset users, gold currency customers, and cash-withdrawal traffic
- **Retailer earns revenue share in multiple ways:** Monthly rent for hosting plus a share of ATM transaction fees
- **Compact, high-impact footprint:** Ideal for front end, fourth wall, or high-traffic zones
- **Fully managed by vendor:** Installation, maintenance, cash logistics, and compliance are all handled by Zyng
- **No inventory, staffing or training needed**
- **Offering innovation:** Reinforce your store's position as a innovative financial services destination

PROFESSIONAL SERVICES

3-IN-1 FINANCIAL SERVICES KIOSK

Consumer Demographics

The kiosk draws traffic from both financially traditional and forward-looking segments, increasing your store's visibility and customer base.

Zyng customers include

- Crypto enthusiasts and investors
- Goldback collectors and crypto currency users
- Unbanked or underbanked individuals needing ATM access

How it works

1. Choose between Bitcoin, Goldbacks or ATM services
2. Complete Identity Verification, if needed. For crypto transactions, ID verification is required per compliance thresholds
3. Insert cash, access wallet, or insert card. Users can pay for Bitcoin or Goldbacks with cash or insert a card to access ATM services
4. Receive funds or product. Bitcoin is sent to digital wallets, Goldbacks are dispensed, or cash is withdrawn
5. Live customer service is available for all transaction types

Device Specifications & Requirements

- Footprint: 2.88 sq. ft. (18" wide and 23" deep)
- Power: Standard 120V electrical outlet
- Cash logistics access required for armored car servicing
- Placement near front-end or customer flow zone recommended
