

SVFastAds

NEW! The redesigned SUPERVALU FastAds program!

Our popular ad building program now includes:

- Product images updated daily, including Essential Everyday and IGA
- More template options
- 4 to 16 item versions to choose from
- More reliable network

SVFastAds.com is a simple tool you can use to create professional-quality in-store ads from your own computer. You will have access to design any of the promotional ads, from one day bag stuffer to a week long in-store flyer. The flyers can easily be posted on your social media pages and website.

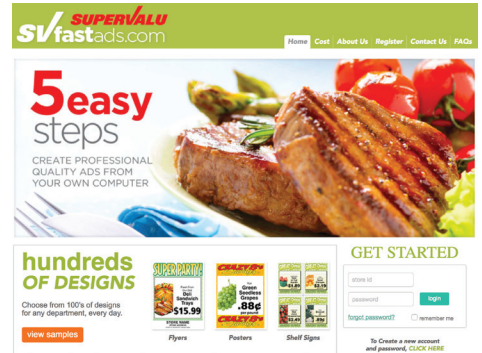

1. Choose a template from hundreds of options
 2. Type your store information (name, address, hours, etc.)
 3. Select the products you want
 4. Price your items
 5. Proof the flyer, then purchase and print from your store printer.
- You can also use a local printer or contact SUPERVALU for a competitive quote

\$30.00 per page.

Visit www.svfastads.com and register for a login and password at no cost.

First two flyers are FREE!

RETAIL MARKETING

WHY CHOOSE UNFI?

- SVFastAds.com is an integrated marketing program that allows you to create, manage, and execute content consistently across all channels
- With nearly 50 years of Retail experience, we help our clients grow top-line revenue while managing bottom-line costs.
- The program is designed to be a fast, easy, and cost effective way to target each customer in-store.
