

PIN PAD HARDWARE & MAINTENANCE

When you're ready to upgrade your PIN Pads, come to UNFI for a quote. We offer PIN pad hardware, including stands and brackets, priority maintenance plans, and expedited replacement services to keep your day to day operations running smoothly.

THE PIN PAD LIFECYCLE

New versions of PIN Pads are released about every 3 years. If your hardware is nearing its end-of-sale or end-of-support date, it's time to consider new payment terminals. Keeping your equipment up-to-date will offer the best protection of your shoppers' personal identifiable information and help you serve your customers better.

FULLY INTEGRATED SOLUTIONS

Fully integrated PIN pads are part of your payments infrastructure, connect to payment software, and communicate transaction data.

PCI 5.0

Verifone M400 v5 (Engage Series)

PCI 5.0

Ingenico Lane 7000

STANDALONE SOLUTIONS
