

# AI-POWERED LOSS PREVENTION

## Theft doesn't stop - unless you see it coming

Shoplifting is rarely random. It's repeat offenders hitting the same stores, **2 to 4 times a week**, using the same tricks. Most retailers don't see it coming, until it's too late. **Veesion puts you back in control.**

## What is Veesion?

An AI-powered video tool that analyzes your CCTV feeds in real time to detect suspicious gestures – especially **bag concealment**, the #1 tactic used by repeat offenders. Veesion **stops theft before it happens.**

## Retailer Benefits

- **Real-time alerts:** Trained on millions of gestures to detect theft before it occurs
- **Designed for repeat thefts:** 6 in 10 thefts involve repeat offenders
- **24/7 availability:** Like an extra set of eyes, always on
- **Plug & play:** Works with your existing cameras, no new hardware required
- **Centralized control:** Manage and monitor multiple stores remotely, with full visibility
- **Protect your margins:** Reduce theft-related losses by stopping thieves before they leave the store

## Trusted Worldwide

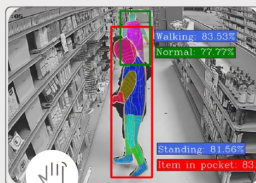

- **Used by 5000+ retailers in 65 countries** - including supermarkets, pharmacies, liquor stores, and retail chains
