

EQUIPMENT SERVICES

UNFI's Equipment Services is an experienced and knowledgeable sourcing and procurement team offering leveraged equipment purchasing and service for virtually every grocery retail category.

EQUIPMENT SOURCING SPECIALISTS

Our Equipment Sourcing Team is comprised of in-house grocery retail equipment & signage experts. Our goal is to apply our 50+ years of combined industry knowledge to save you money, to improve your bottom line and ultimately to provide you with the goods and services needed to succeed in grocery retail.

Our leveraged buying programs include:

- Lighting Fixtures & Lighting
- Upgrades
- Building Components
- Smallwares
- Display Fixtures & Cases
- Office Supplies
- Refrigeration Equipment
- Cooking Equipment
- Exterior and Interior Signage & Décor
- Refurbished Equipment
- And Much Much More!

ANNUAL REVIEWS

We re-evaluate our programs annually to maintain value & to deliver on current trends.

NO VOLUME COMMITMENTS

Whether you are a one store operator or own a chain of stores, our equipment programs are accessible to all customers.

ORDER HISTORY

Our system records and logs complete order & billing history for each of our clients.

STORE DESIGN + EQUIPMENT

WHY CHOOSE UNFI?

UNFI Equipment Services has developed a proven program that encompasses leveraged buying power, customer care, project coordination, accounting services and ongoing equipment support.
