

ACCELERATE GROCERY

Learning and communication software customized for the grocery retailer, Accelerate Grocery gets employees up to speed quickly with microlessons that reinforce what they've learned over time. This program makes learning fun with games, points, rewards, & leaderboards that are designed to engage busy employees on their mobile devices in as little as 3-5 minutes per day.

Accelerate Grocery is an innovative & proven solution for employee learning & development:

- Quick lessons to fit within your employee's day
- Accessible on mobile devices
- Efficient & effective learning that's customized to your needs

Accelerate Grocery uses **fun, fast, and personalized lessons** designed to engage employees and make critical information stick. By keeping lessons short and reinforcing them over time, your employees will remember what they've learned. High employee engagement with learning will improve job performance and satisfaction, and lead to better business outcomes for you.

Accelerate Grocery is also a powerful communications tool for employers. Now you can easily reach your employees with consistent messaging and timely updates through the app.
