

STRATEGIC LEGAL SERVICES

Every business has a need for high-quality legal services in order to ensure business success. UNFI has partnered with Fredrikson & Byron who is an award-winning law firm experienced on the unique elements of the grocery industry.

Agribusiness & Food Industry is a key focus

- Ability to serve grocers: local, regional and national
- Attorneys are well-versed in the unique needs of the grocery industry that match with their business goals
- In working with independent grocers, chains and distributors, they provide their clients with insights to ensure their business success.
- Attorneys are experienced in all aspects of business strategy and consult with clients to understand their goals and identify the best path to attain them.

Fredrikson & Byron has considerable experience in assisting and counseling clients ranging from national corporations to family and closely held business owners to address and resolve the common and unique challenges and problems they encounter.

This new offering with the team at Fredrikson will allow you to provide high-quality legal services to your clients that focuses on their business goals. This allows your clients to navigate their company through the evolving industry with confidence and have their needs addressed with award-winning client service.

Some of the main benefits of working with Fredrikson & Byron include:

- Customer satisfaction is a focus
- Superior responsiveness and service delivery
- Flexibility in pricing and no surprises in client legal bills
- Superb communication and efficiency in service
- Continuing education for clients, keeping them up to date on potential legal issues and industry changes

TESTIMONIALS

“ I find Fredrikson to be one of the best value firms around for major corporate transactions, and the firm performs well above their rate class in terms of value, capabilities and deal expertise. The firm is highly capable not only at a regional level, but on a national platform as well. ”
